

STEAM Classes – Innovate, Create, and Explore!

Our STEAM (Science Technology Engineering Arts and Mathematics) program nurtures creativity through hands-on science, robotics, and real-world problem-solving, while building critical thinking skills and preparing students to become future innovators.

Abacus – Strengthening Young Minds

Enhances concentration, visualization, speed, and accuracy through fun, interactive sessions.

Vedic Maths – The Smarter Way to Calculate

Sharpens logical thinking and builds confidence with faster, technique-based calculations.

MCB - MyClassBoard App

<https://corp27.myclassboard.com>

MCB-MyClassBoard App is our primary communication platform, giving parents quick and reliable access to attendance, announcements, schedules, and all important school updates in one place.

"Empower your child's future with the gift of a quality education at PPS. Our commitment to excellence ensures that every student stands out as a leader in the crowd"

3

INNOVATION & CREATIVITY

Hands-on learning in well-equipped labs, computer lab access, and rich resources.

About Us

Established in 2006, delivering quality education focused on holistic development, values, and character.

Our Vision

To promote and facilitate quality education and prepare students for a value-driven, responsible future.

Our Mission

To help students evolve into confident, compassionate, global individuals.

THE PATEL HOLISTIC PROGRAM (PHP)

1

ACADEMIC EXCELLENCE

Strong academic foundation through planners, enrichment activities, remedial classes, and parent-teacher collaboration.

4

UNIVERSAL VALUES AND ETHICS

Value-based education, SUPW, and social awareness programs to build character.

SPECTRA

Fostering Talent & Skill on Alternative Saturdays

SPECTRA (Skill Performance Exploration Creativity Talent Recognition Achievement) is a skill-development program offered on alternative Saturdays, featuring creative arts, performing arts, cultural activities, life-skills training, and literary and public-speaking activities.

2

BODY, MIND & HEART REINFORCEMENT

Supports physical, mental, and emotional growth through yoga, athletics, aerobics, meditation, and the annual Sports Day **INFINITO**.

Why Choose Us?
